

Commie-Led Syria Emmet Fair Bulging Today Makes Israel Tense With Entries, Race Horses

By Walter Logan
United Press Staff Correspondent
A Communist-backed coup that placed Syria under iron control of a pro-Soviet military clique touched off urgent Anglo-American consultations today in London and roused fears in neighboring Israel of a Soviet-backed invasion.

United Press diplomatic correspondent K. C. Thaler reported in London that diplomats considered that the Red move in Syria had given Russia a firm foothold on the Mediterranean in the severest challenge yet to the Eisenhower doctrine.

The West regarded the Syrian development as the worst setback for Western Mideast policy since Egypt seized the Suez Canal a year ago. There were indications other NATO powers might be called in to confer on the threat to allied strategy involving NATO partner Turkey and the members of the Baghdad Pact.

ELIAV SIMON, United Press correspondent in Israel, said in a Jerusalem dispatch there were fears in new Middle East explosion was in the making, backed by Soviet money, tanks, guns, planes and ships.

The Jerusalem dispatch said Syria always has been strongly anti-Israel and that the new military rulers can be relied upon to seize the earliest opportunity to try to revenge their defeat in the Palestine war.

It was noted that Gen. Alif Bizri, the new pro-Communist Syrian lead, was one of the Syrian heroes of that war. Now he would be assured of Soviet support in event of hostilities although the Eisenhower doctrine provides U.S. support against Communist aggression.

Israel political circles said they were uncertain Russia would risk a world war by pushing Syria into attacking Israel with the possibility of American intervention. But they said Syria may take the risk and use its vast arms supply for an attack alone.

LONDON DISPATCHES said two long-term courses appeared

open to the West — to strengthen the Eisenhower doctrine and to reinforce the anti-Communist Baghdad Pact. In the meantime Britain was reported urging the United States not to break off diplomatic relations with Syria despite

Fr. Hugolinus Ending 12 Years Here

Rev. Fr. Hugolinus Kiener, O. F.M., pastor of St. Francis Xavier church here since July of 1945, will leave Petoskey Wednesday and after a one-day vacation become pastor of Sacred Heart church of St. Paul, Minn.

Fr. Hugolinus will be succeeded here by Fr. Laurin Buzinsky, O. F.M., who is coming from Madison, Ill., this week.

Fr. Hugolinus received word from his superiors Saturday and said farewell at masses yesterday. Prior to coming to Petoskey 12 years ago he was assistant pastor of St. Francis Borgia Church in Washington, Mo., for seven years.

FR. HUGOLINUS said his new church has 1,000 families as members and he will have three assistants. He will also be superior of the monastery there.

While here he supervised the building of St. Francis Sisters Home and the new school. St. Francis formerly went through the eighth grade but over a period of years added grades until it was a full high school.

Fr. Hugolinus said he would leave Wednesday morning for Grand Rapids where he would be met by his sister and brother-in-law, Mr. and Mrs. Robert Meyer of Chicago, and go with them to their home for one day. He is a native of Chicago.

Fr. Benign Adam, O.F.M., pastor of Holy Childhood church at Harbor Springs the past nine years, also received word that he would leave this week for St. Joseph Hospital at Joliet, Ill., where he will become the chaplain. He will be succeeded by Fr. Ewald Oswald, O.F.M., a native of Chicago.

Three Gunmen Kill Cop, Pull Kidnap

MINNEAPOLIS, Minn., (UP) — Federal, state and local authorities conducted a widespread search today for three young men who killed a policeman and critically wounded his partner.

Police said they were prepared for another gun battle with the three dapper men wanted in the Saturday night slaying of Patrolman Robert Fossum, 31, and the wounding of his partner, Ward Canfield, 35.

A woman motorist who was kidnapped and freed by the fleeing gunmen described them as well dressed and under 25. They were believed carrying pistols and a shotgun taken from the wounded officer.

MRS. ALVIN ANDERSON, of suburban Bloomington, told police the three men curbed her car, drove her a short distance and then forced her from the vehicle. Fossum and Canfield spotted the three in a stolen car while cruising through a neighborhood business section here.

The patrolmen opened fire when the youths refused to stop, but their bullets bounced off a steel plate lodged against the car's rear window.

The chase ended when the gunmen's car hit and locked bumpers with a parked car.

THE YOUTHS OPENED fire on the officers from behind the cars, killing Fossum and wounding Canfield. The gunmen then hopped back into their car and backed both cars over the fallen Canfield.

The fugitives abandoned the enmeshed cars a block away and stole another car from a filling station. They drove it about one-half mile before abducting Mrs. Anderson, who described the driver as a slightly-built man called "Jim" by his companions. All of the gunmen wore gloves, she said.

Fossum's widow, Dorothy, mother of three children, is expecting another child in October. Fossum twice was cited for excellent police work.

Authorities were unable to question Canfield about the shooting.

Syrian charges the U. S. plotted to overthrow the government.

New difficulties shaped up today between Israel and Egypt, Syria's military partner which also has received Soviet military aid.

A Cairo dispatch said one of two Israeli-chartered ships was allowed to transit the canal but that Egyptian officials held up a second and referred its passage to the government's top leaders for decision.

The ship allowed to pass was the Norwegian freighter Hubro with 3,500 tons of Israeli potash for Japan and the Philippines. Egypt held up the 2,716-ton Norwegian ship Mars en route of Haifa with a load of copra, the dried coconut meat which produces oil.

THE CHIEF OF THE Egyptian War Effort Committee which searches all blacklisted ships said the case of the Mars "is not a routine customs matter" and that its passage would have to be decided by the president's office.

Reports filtering through heavy Syrian censorship said a major purge was being carried out of neutral or pro-Western military officers and that the military clique would soon launch a drive against its political opponents, the weakened Populist party.

There were reports of arrests, "retirements" and dismissals of leading Syrian Army officers. Reliable sources said the police were in the firm grip of the army and that police would move soon against the populist party, the largest single group in parliament.

It Happened In Petoskey

The sale of the Review Printing Co. to three employees apparently has caused a bit of confusion.

The new owners of the printing company have been receiving questions about what they plan to do with their newspaper—and the News-Review employees are being asked how they like their new bosses.

Albert Schaller, head of the Northern Michigan Review, Inc., which publishes the News-Review says he has also been receiving comments from friends wondering how come he retired so young. To clear it all up, the Review Printing Co. was sold by William F. Schaller. The News-Review was not sold by Albert Schaller and he's still working every day.

Dies as He Gets Citizenry Award

ERIE, Mich. (UP) — Liguori Cousino, 77, reached for his award as Erie's citizen of the year yesterday but dropped dead before he could receive it.

Cousino, the guest of honor at the three-day V-J celebration, collapsed from the excitement and was dead on arrival at a local hospital. He was a former farmer and contributed much to general community life—for which he was named to the award.

3 Detroit Dailies Go Unprinted

DETROIT (UP) — Detroit's newspapers strike was deadlocked today as none of the city's three large dailies published in the face of a mailers strike at one of them.

The vice president of the striking International Mailers Union Local 40, Raymond Brown, said today he tried to arrange negotiations with the Detroit Newspaper Publishers Association but was "refused" in his attempt.

The dispute is only between the mailers and the Detroit News but the Publishers Association, representing all three papers, said yesterday none of the papers will publish because under a joint contract "a strike against one newspaper is a strike against all."

BROWN SAID Robert Butz, secretary of the association, refused on behalf of the association to attempt to even settle this present dispute.

Brown quoted Butz as saying "these people have been discharged and are going to stay discharged."

He said he hoped that the association "if not willing to meet with us" would "allow members of the clergy" to arrange to be present at a meeting between the opposite groups.

Detroiters received Sunday editions of the Times and Free Press, printed with both their own and the News masthead. An all-day meeting yesterday of the Publishers Association resulted in the no-publication decision, stopping today's editions. The Free Press is a morning paper, the Times and News are evening papers.

DIFFICULTY began early Saturday when the News mailers walked out after refusing to work a second overtime shift "because they couldn't humanly work on."

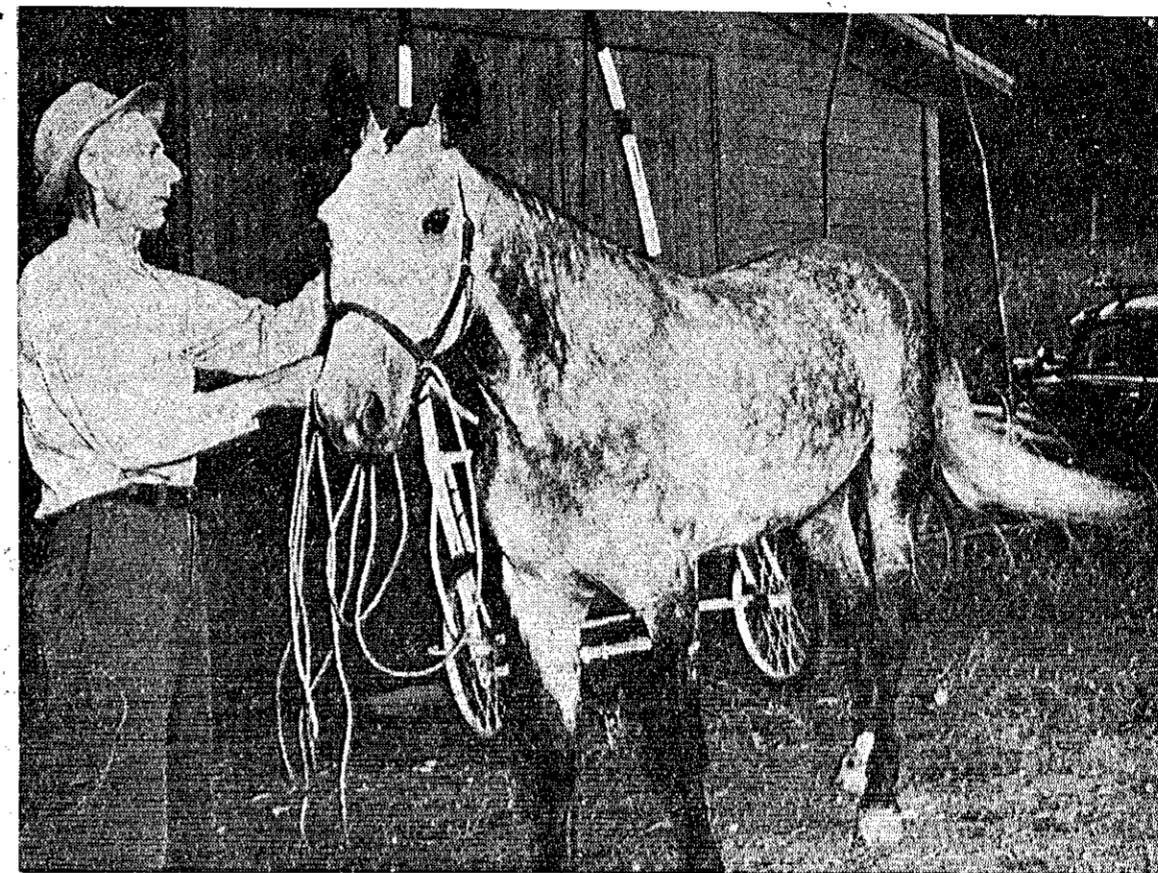

The IMU said 87 of the mailers were told they were fired for the refusal and the Union wants the men reinstated.

'Ancient Mariner' Wins Boat Parade

An outboard decorated as "The Rhyme of the Ancient Mariner" won the gold trophy at the annual Neopolitan Night parade at Harbor Springs last night as 46 lighted boats participated.

The boat, owned by Helen Baird of Cincinnati and Harbor Point, was "rigged" as a two-masted sailing vessel and had a girl with a crossbow pointed at an albatross.

A large crowd was on hand as the boats made two circles around Harbor Point, Harbor Springs and Wequetonsing. Judges were Mayor and Mrs. Tom Reinwand and Mr. and Mrs. Joseph Root.

RALPH PACOT, veteran Charlevoix harness racer, is shown with his Stormy Bet which he plans to enter in the 25 trot during the races at the Emmet fair which start tonight at 8 p.m. and will continue on Tuesday and Wednesday evenings under the new lights at the track. Pacot has been racing about 30 years. The county fair opened today and runs through the week. (News-Review photo by Jim Doherty)

Judging Slated Tuesday

Entries are pouring in today to the Emmet County Fair and John Hodge, fair board president, said today the staff was swamped, making it appear that it was going to be the biggest fair in years.

There is no admission charge at the main gate today.

More than 60 race horses are in the barns for three nights of racing and \$7,200 in race purses. More are expected and if entries keep coming in, some divisions might have to be split and nightly purses would jump from \$2,400 to \$3,600. Races are nightly at 8 tonight through Wednesday.

Some \$10,000 in cash will be awarded in premiums by the fair board and the state for exhibits. JUDGING WILL take place on Tuesday with all entries to be in place by 1 p.m.

National Defense Day will be Wednesday and a giant parade in front of the free grandstand will get underway at 7 p.m. with a fire fighting demonstration climaxing the event prior to post time for the final night of harness racing.

Judge John T. Murphy, Emmet CD director, said some 10 CD units will be in the parade plus the 310th Ordnance Co. of Charlevoix, the Smith-Hoover Legion Drum and Bugle Corps and the high school band from Harbor Springs.

Sgt. Bill Kunkle of Petoskey will narrate as the military units pass in review and explain the purpose of each. He will also tell how CD activities are co-ordinated as fire trucks, law enforcement officials and equipment as well as participating persons go by.

MAX SMITH and Marrel Abbey co-chairmen of the rest of the parade, have lined up floats from area merchants, Little League players, 4-H exhibitors and animals at the fair. All will be in the parade. The pet parade will not be held this year because of the event being at night. K. C. Festerling will explain the parade other than the CD units.

Empire Air Force will have a miniature radar room with plotting board and scope on display Wednesday only. Another booth will house the maps and other materials used by the Michigan Office of Civil Defense during 'the 1957 national alert last month. A helicopter from the Traverse City Coast Guard and the Charlevoix Coast Guard surf boat will be displayed on the grounds Wednesday. People may see the parade free from the grandstand, but will have to purchase tickets to stay for the harness racing which follows.

Among the unusual exhibits brought in today were: WORLD'S LARGEST white cedar log, 15-foot in circumference; Michigan's own native rattlesnake, brought in by Reg Sharkey of the Oden Fish Hatchery; McDonald's farm where all sorts of farm animals may be seen, and according to Hodge, many others.

The carnival this year has seven major rides plus numerous kiddie rides on a double midway, largest to be brought here in years.

Other events on Wednesday include the 4-H Dairy Show and contest in the morning and tractor pulling at 1 p.m.

Children's Day will be Thursday with the 4-H and FFA tractor driving contests at 10:30 a.m., Canadian Hell Drivers at 2:30 and 8 p.m. in front of the grandstand. HORSEPULLING contests will be held Friday at 1 p.m., 3 p.m. and 8 p.m.

Charlevoix County Day is Saturday with children's riding show and contests at 10:30 a.m., daredevil riding contests at 1:30 p.m. and Petoskey Motor Speedway jalopy races at 8 p.m.

Fast and Quiet

WASHINGTON (UP) — The Civil Aeronautics Administration predicts there will be 272 large American-made jet passenger planes in services in this country by July 1, 1961.

There may also be some foreign jets bought by U. S. airlines.

The CAA said much of the noise present in military jet planes will be eliminated in civilian passenger jets.

Traffic Pileups Involve 7 Cars at Straits; 5 Hurt

Five persons were injured in Straits traffic pileups over the weekend which saw seven cars collide within 25 minutes on Saturday alone. Another was injured in Emmet Saturday night.

State police at Cheboygan said two cars collided at 4:05 p.m., three at 4:20 p.m. and two at 4:30 p.m. on Saturday. Sunday at 4:05 p.m. three more crashed.

Peter Bauer, 53, Cheboygan, was issued a ticket Saturday for failure to stop in the assured clear distance after his auto struck the rear of an auto driven by Clarence Chickering, jr., 43, Ypsilanti. Injured were Crystal Rexford, 16, and Donna Chickering, 16, both of Ypsilanti, who were taken to Cheboygan Hospital with head injuries. Police said Bauer hit the rear of the Chickering car which stopped because of an auto crash ahead of him. Chickering's damage was estimated at \$175, Bauer's at \$200.

Orville Butzin, 29, Belleville and Patricia Ann Erickson, 22, Ann Arbor, were issued tickets for following too closely yesterday in a crash in Mackinaw township on US-27. Police said Frieda Zimmerman, 43, Ithaca, stopped and was struck from behind by Miss Erickson. Miss Erickson was treated by a doctor in Mackinaw City for laceration of the leg and arm.

ROY VANDEBOGART, 67, Muskegon, was issued a summons for driving on the wrong side of the road yesterday after his auto collided with one driven by Ruth Krings, 21, Whitehall, on US-31 3 of a mile south of Carp Lake village. State police said Miss Krings was driving south on the wrong side of the road and Miss Krings, driving north, swerved and the left rear of her auto and the right front of the Vandebogart car met, police said. Miss Krings went off the road and struck a motel sign.

Robert Bonner, 47, 903 Medosh-ave., Lincoln Heights, O., was issued a summons for excessive speed for conditions after his car went out of control Saturday at 6 p.m. and struck a tree. Petoskey state police said Bonner was taken to Little Traverse Hospital with lacerations of the tongue, face and arms.

Police said he was driving south on the Horton Bay road just south of US-31, came over the crest of a hill, slid on the wrong side and skidded 300 feet into a tree.

EMMET and Charlevoix sheriff's departments reported they had no personal injury mishaps over the weekend.

They've Landed
LONDON (UP) — Farmers in space suits driving tractors in plastic jackets have been cultivating a radioactive farm near Newbury, Berkshire, it was reported today.

The magazine "Nature" said the farm is an experiment to determine how quickly land contaminated by atomic fall out could be placed under cultivation again.

Two Muskegon county men were both killed early Sunday as their car smashed into a tree on US-31 near Whitehall. The two were being chased by police.

Two persons burned to death early Saturday when a fire raged through their home three miles north of Lowell on M-91. The dead were identified as Cindy Johnson, 2 and her brother, William L., 5.

A Detroit man suffocated in his two-story flat Saturday when he went into a bathroom on the second floor to escape smoke and flames.

Early fatalities reported today named R. E. MacKenzie, Perry, and Arthur Spencer Hall, 20, Lansing, as victims of a car-truck accident at M-47 and Haslett-rd. east of Lansing about 6 a.m. State police said a third was injured, and the two bodies were removed with an ax and crow bar.

In outside mishaps, authorities today dragged the Calumet River for the bodies of three Chicagoans—a man and two women—who drowned when their 14-foot pleasure boat capsized in the wake of a 525-foot ore boat.

TWO OTHER persons aboard the small outboard craft were rescued in the mishap yesterday and taken to Roseland Community Hospital suffering from shock.

At Belmar, N. J., four persons were killed and 30 injured yesterday when a bus blew a tire and crashed into an abutment on the Garden state parkway. State police and hospital authorities today were trying to identify the dead—three women and one man, all middle-aged.

LONDON — Antony Beauchamp, 39, estranged husband of Sarah Churchill, daughter of Sir Winston Churchill, was found dead in his bed Sunday of what police called an apparent overdose of sleeping pills. Beauchamp and Miss Churchill, shown here at a New York motion picture premiere in August 1954 photo from files, were married in 1949 and have been separated the past two years. Investigation today turned to London's smartest society leaders, basing the suicide belief on a report by Lady Jane Vane-Tempest-Stewart, 25, maid-of-honor at the coronation of Queen Elizabeth II, who said she talked on the telephone with Beauchamp. She said he telephoned her of his intentions, she pleaded with him until "the line seemed to go dead" then she called police. (UP Telephoto)

HOW SOME BIRDS SLEEP

Bird specialists believe that large birds sleep, wings outspread and cushioned on air, as they glide above the earth. Sounds wonderful but a little impractical for humans. The next best thing for us is the most comfortable mattress and spring available.

An allowance for your children? Family life specialists say the amount should be different for each child and should be based on the child's age, experience and spending needs. It should take into account the community's "going rate" as well as the family's financial status, he explains.

LEUKEMIA VICTIM MAY LIVE

MRS. ROBERT MACDONALD of Drexel Hill, Pa., hugs her 21-month-old twin daughters, Laura (left) and Mary, in their home following surgery which may make medical history. Laura is a victim of leukemia. A transplant of bone marrow from Mary's shin to Laura's blood stream may save Laura's life. (International)

CAMP-STYLE DISHWASHING

To simplify camp dishwashing, transfer tableware from the hot soap or detergent suds to a mesh bag. Then dunk the bag in a boiling water rinse, and hang it on the nearest tree until the clean dishes are dry.

Dogs and cats running in woods or fields may get poison ivy on their coats. They won't suffer from ivy poisoning, but their owners may get it from handling them. To remove the poison, give your pets a bath in warm soapy water and wear rubber gloves as a precaution.

Rush Season In Lansing

EAST LANSING — More than 200 Michigan women will begin their Christmas shopping at Michigan State University on August 21.

The ladies, representatives of the more than 70 local branches of Women's National Farm and Garden Association in Michigan, will be shopping for ideas for Christmas floral arrangements.

And on hand to offer solutions to these decorative problems will be Eunice Day Garnett, of Columbus, Ohio. Mrs. Garnett will suggest new uses for Christmas greens in holiday arrangements at the fifth annual Garden Party Workshop at Kellogg Center.

Another attraction for the "idea shoppers" will be a lesson in flower arrangement by a panel of six experienced instructors. How to condition flowers, balance and stability, color harmonies, rhythm, orientation and the invitational arrangement will be demonstrated. Many of the local garden clubs will furnish table arrangements for the luncheon. Judges will select and comment on the four best arrangements.

If you're planning to hit the vacation trail this month toss your washable nylon, Dacron or heavy canvas suitcase covers into your washer and automatic clothes dryer for a quick clean-up job. Covers without leather or plastic trim dry quickly and safely when you follow fabric time and temperature setting given in your dryer instruction book.

The Camp Daggett officers, directors and wives were recent dinner guests at the camp. Left to right they are: Rev. Lloyd Brasure, president; Mrs. George Henjka; George Henjka; Mrs. Albert Schaller; Dr. and Mrs. Robert Cooke; Mr. and Mrs. Thomas Newberg; Camp Director and Mrs. Robert Woodruff; Mr. and Mrs. Walter Kring and Dr. and Mrs. John Pray. Unable to attend were Jim Behan and George Ely, directors. Recent delegations from this area to Camp Daggett for dinner and tour include the Boyne City Rotary Club, the East Jordan Rotary Club and the Petoskey Outdoor Club scheduled this Sunday. The average number of campers for the 10 weeks sessions to date is 62 with the highest registration for any one session at 81. (News-Review photo by Al Schaller)

To Graduate Financing is Foremost Problem of Community-Junior College

MISS THELMA GARDNER, daughter of Mr. and Mrs. Donald F. Gardner of Pellston, will graduate from the Bronson Methodist Hospital school of Nursing, in commencement exercises to be held Monday, August 26 at 8 p.m., in the First Methodist Church of Kalamazoo. Dr. Charles R. Goff, of the Chicago Temple First Methodist Church will be guest speaker. Thelma graduated from Pellston high school in 1954 and plans to work at Bronson Methodist Hospital until her marriage in the fall.

Financing is the first and foremost problem facing the community-junior college in the nation. So stated Dr. James Reynolds, of Texas, in an address to a Community-Junior College Conference at Michigan State University Aug. 14. Dr. Reynolds, professor of junior college education at the University of Texas, is editor of the national Junior College Journal.

Financing is the toughest problem as the community-junior college faculties and facilities are asked to educate more students and provide broader community services, Dr. Reynolds said. "The community-junior college often is low man on the totem pole when funds are budgeted for elementary, secondary and post-high school education," he observed.

Most of the 15 Michigan community-junior colleges had representatives at the one-day workshop, along with delegations from many of the communities which are considering such institutions. About 15 other Michigan cities are studying such colleges, reports Dr. Max Smith, of the M. S. U. Office of Community - Junior College Cooperation. In discussing trends, Dr. Reynolds reported an increasing acceptance of the community college idea, expanding programs of community-service and adult education activities, and expanding clientele, greater use of lay advisory committees and an increased use in community surveys to determine community-junior college activities.

QUESTION — My fur coat is out of style, it's too good to throw away—what shall I do with it?

- TWO ANSWERS — 1. Remodel your fur into a jacket or cape—the cost is not high—or 2. Trade it in—our selection of new furs is best right now at Coddington Furriers, Traverse City.

FRIGIDAIRE WASHERS

RATED No. 1

BY U.S. TESTING CO., Inc.

In tests of six leading automatic washers under controlled laboratory conditions. Largest, most diversified independent testing organization of its kind in the world. Reports #29123 (May 2, 1957) and #29123-A (May 10, 1957)

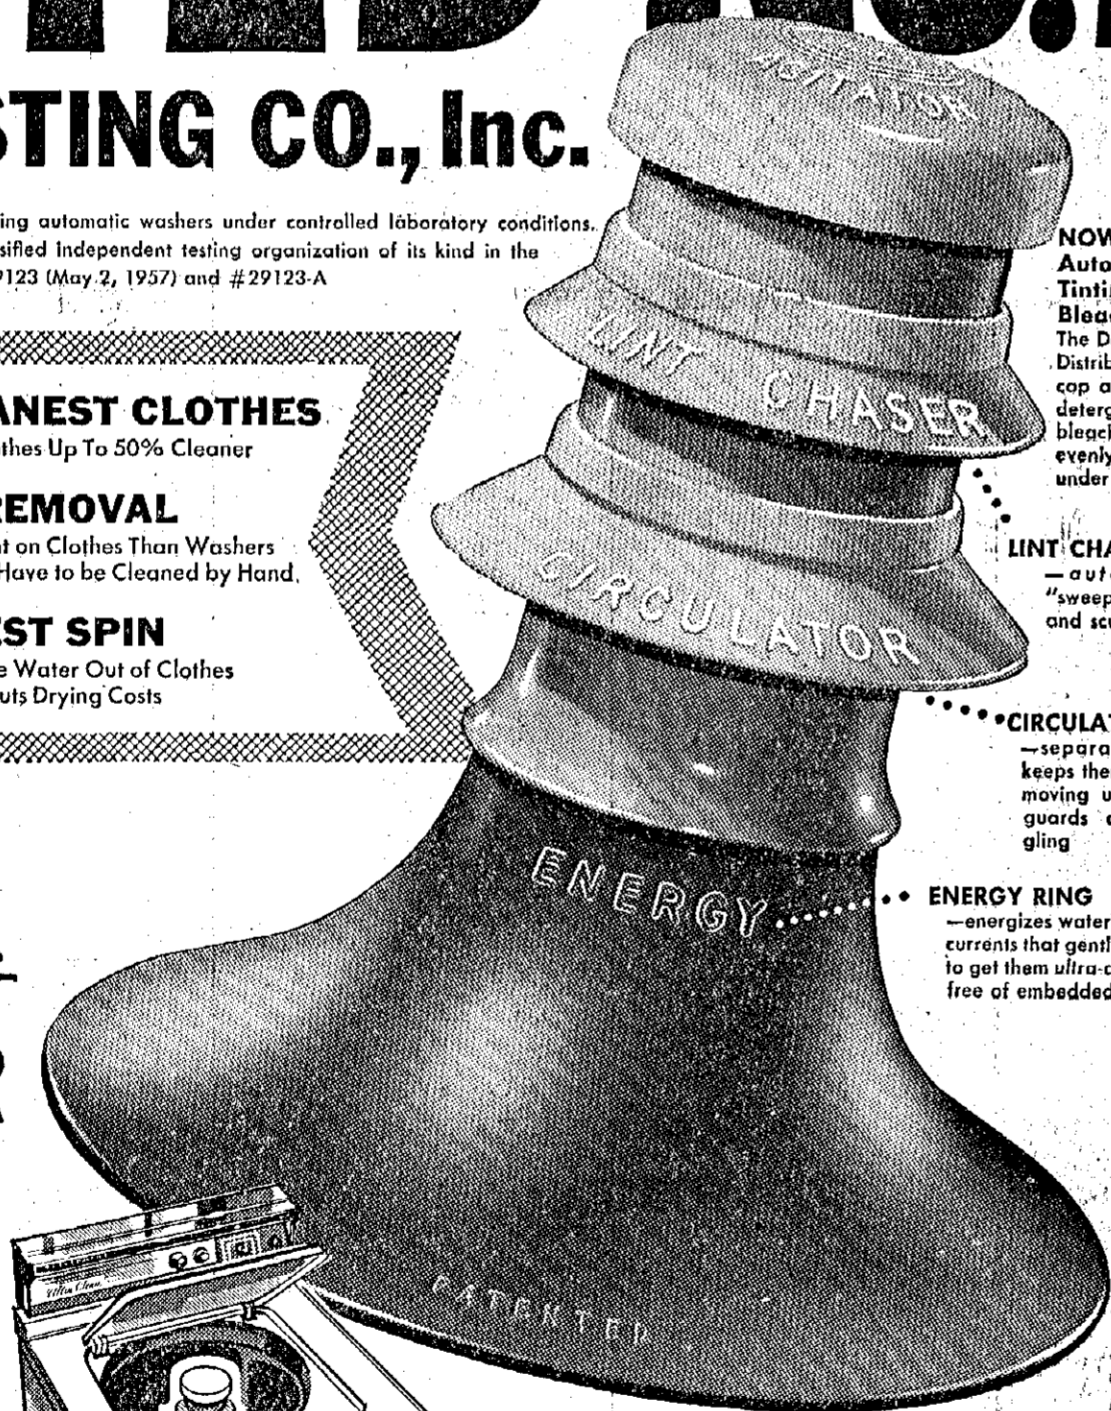

RATED No. 1

- for CLEANEST CLOTHES Washes Clothes Up To 50% Cleaner for LINT REMOVAL Leaves Less Lint on Clothes Than Washers with Filters that Have to be Cleaned by Hand. for DRIEST SPIN Spins More Water Out of Clothes —Cuts Drying Costs

EXCLUSIVE 3-RING AGITATOR

New Built-in SUDSWATER-SAVER—Included without extra cost Cuts Washday Costs Almost in Half. It's Automatic!

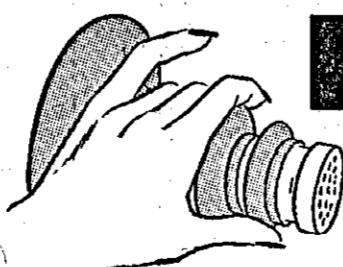

PLUS! * Porcelain Enamel finish, inside and out * Four glamorous colors at same price as white * Sheer Look Styling—looks built in without the usual remodeling costs * Washes everything from "delicates" to denims with one setting of the dials * Your choice of "Hot," "Warm" or "Cool" Wash; "Warm," "Cool" or "Cold" Rinse; "Normal" or "Small" Load * And gives you the greatest savings of hot water, detergent, electricity of any automatic known.

- NOW—Automatic Tinting or Bleaching! The Detergent Distributor, under cap at top, releases detergent and bleach or tint evenly, safely mixed, under water. LINT CHASER RING —automatically "sweeps" out lint, dirt and scum—for good CIRCULATOR RING —separates clothes, keeps them constantly moving under water, guards against tangling ENERGY RING —energizes water into surging currents that gently flex clothes to get them ultra-clean, flushed free of embedded dirt.

NEW! EXCLUSIVE! AUTOMATIC TINTING Easiest, safest way known! Automatic tinting—with one setting of the dials. Simply pour dry tint from package into exclusive, automatic Bleach and Tint Dispenser. No boiling or straining, prevents spotting or streaking.

FREE! SPECIAL FRIGIDAIRE 3-RING CLOTHES SPRINKLER

First aid for ironing day! 6-inch miniature of famous Frigidaire 3-Ring Agitator. Made of durable lightweight plastic in color. Won't tip over. Fits snugly in hand. Removable cap. Holds more water than makeshift "pop" bottles.

MR. AND MRS. DONALD C. FESTERLING

Bachelor-Festerling Vows Said at First Christian

Miss Thelma Ann Bachelor became the bride of Donald C. Festerling in rites performed Saturday, at 4 p. m. in the First Christian Church of Petoskey.

Thelma is the daughter of Mr. and Mrs. Hubert Bachelor, R-3, and Mr. and Mrs. Karl C. Festerling, R-2, are parents of the bridegroom.

The church was decked with baskets of pink and white gladioli for the double ring ceremony, performed by Reverend Allan J. Hunter before 250 guests.

The bride wore a floor length gown of French lace over traditional bridal satin, fashioned with a high sabrina neckline, accenting the sweetheart lines of the bodice, with long tapered sleeves, and bouffant skirt. For something borrowed, the bride wore a fingertip veil of imported silk illusion, falling from a queen's crown of seed pearls. She carried an arrangement of frenched white carnations and pink rosebuds, with trailing ivy streamers.

Mr. Hugh Winnell sang "O Promise Me", "Until" and "The Wedding Prayer", accompanied by Miss Evelyn Eppler, organist.

Mr. Hubert Bachelor gave his daughter in marriage.

Mrs. Herbert Mundt of Vandalia, Ohio, served her sister as matron of honor in a lime green, ballerina length gown of white nylon embroidered lace over green taffeta. The boat neckline was draped with chiffon, extending in back streamers; the headpiece featured a lace headband studded with seed pearls that held a scalloped veil, and she carried a colonial bouquet of pink carnations encircled with white carnations.

Miss Marilyn Bachelor, sister of the bride and Miss Joyce Swenor attended as bridesmaids attired in pink gowns, fashioned identical to the matron of honor's, with matching headpieces and bouquets.

Ringbearer was Dennis Festerling, brother of the bridegroom, who carried the rings on a heart shaped satin pillow, edged in lace.

Cathy Ann Mundt of Vandalia, Ohio, a niece of the bride, served as flower girl, wearing a lime green gown of tulle over taffeta, ballerina length and carried a basket of pink and white carnations.

Jack Terpening attended as best man and ushers were Richard Festerling, the bridegroom's brother; Dale Bachelor; the bride's brother, of Vermontville; Gerald Festerling, another brother of the bridegroom; and Allen Bachelor, another brother of the bride.

For her daughter's wedding, Mrs. Bachelor selected a street length sheath of natural colored pongee, styled with a scoop neckline and cap sleeves. Completing the ensemble was a short bolero of white natural check linen, trimmed with self fabric of the bride. She wore navy accessories.

Mrs. Festerling wore a beige, brocaded satin sheath dress with pink accessories; both mothers wore corsages of pink and white carnations.

After the ceremony, a dinner was given by the parents of the bride for the immediate families and wedding party in the church parlors; serving the dinner were ladies of the church.

A reception was held at the 4-H Center in the evening for 300 guests. The hall was decorated with green and pink streamers and white bells and a three tiered wedding cake centered the pink covered

serving table. Presiding at the punch bowl was Mrs. Dale Frye, and Mrs. Herbert Bachelor of Lansing, poured coffee. Mrs. Lawrence Longcore, of Birmingham, a sister of the bride cut the wedding cake.

Another sister of the bride Mrs. Alfred J. Evers, attended the gift table, assisted by Mrs. Joseph P. Fetting, Mrs. Fred Stolt, Mrs. Fred Evers and Mrs. Dale McAlvey.

Music for both round and square dancing was provided for dancing by the Ball Orchestra from Levering.

For her honeymoon trip to the Upper Peninsula, the new Mrs. Festerling changed to a cocoa brown sheath with white accessories.

The couple will reside at R-2, Petoskey until September 12, when they will move to Mt. Pleasant.

The bride is a 1954 graduate of Petoskey High school and is employed at the First State Bank. The bridegroom graduated in 1954 from P. H. S. and is returning for his senior year at Central Michigan College at Mt. Pleasant in September.

Out of town guests attended from Bay City, Saginaw, Lake City, Montrose, Flint, Detroit, Lansing, Charlevoix, Pellston, Harbor Springs and Vandalia, O.

A CHILD-PROTECTOR

A clever device has been patented which protects children from kidnapers. The apparatus, built into a mattress, sets off an alarm if the child is removed from the bed, while the machine is on. The parents, of course, know how to disconnect the mechanism before lifting Junior up. It seems that nowadays there is no safer or a more comfortable place for an infant than his crib. He can play there unattended and take his energy-restoring naps on the spot.

Bay Shore . . .

Helen Yahr, Phone DI 7-1026

There will be an elder meeting in the Bay Shore Presbyterian Church Tuesday evening Aug. 20th at 7:30 p. m. all are urged to be present.

Mrs. Fern Hulse, Mrs. Elsie Stanley and Mrs. Helen Yahr attended the annual Missionary Tea which was held in Petoskey in the First Presbyterian Church.

Mr. and Mrs. Clifford Yahr and daughters were supper guests of Mr. and Mrs. Walter Cook of Petoskey on Thursday evening, honoring the Yahr's wedding anniversary.

Mrs. Edward Yahr and daughter Leona will return home on Monday from Ypsilanti where they have been visiting their daughter and sister and family, Mr. and Mrs. George Paulsen and family.

Josie Pearson, Correspondent

Harvey Fry is a medical patient at Little Traverse Hospital.

Mr. and Mrs. Earl Davidson of Grand Rapids spent Monday at her aunt Josie Pearson's en route to the Upper Peninsula and copper mines where they will spend their vacation.

Mrs. Mencie Jackimowicz and daughter-in-law were Sunday visitors at Mrs. Josie Pearsons.

Mr. and Mrs. Ernest Burton and family of Newberry were recent visitors at the home of Harvey Fry.

Sinners Top Saints In Annual Journey

There was no evidence of too much time spent by the "Saints" on the bowling greens when the annual contest between "Saints" and "Sinners" of the Campus Club at Bay View was bowled on Friday afternoon. The "Saints" were defeated by a score of 13 to 4.

Making a brave show with shining halos the "Saints" were: — St. Paul (Capt.) (Rev. Paul J. Allured); Bishop Raymond, (Bishop Raymond J. Wade); St. Patrick (Rev. Dr. Lester A. Kilpatrick); Pastor Walter (Rev. Walter T. Ratcliffe) and Prophet Daniel (Rev. N. Dan Bruby).

The "Sinners" team: — H. A. Decker, (Capt.), C. R. Bush, W. E. Burns, Dr. J. H. Eberwein, Fred Neumann, James Perkins and W. O. Schmidt.

A SIMPLE WAY TO LOSE SOME WEIGHT

How many new-fangled diets have you seen in the past few months? And how many methods "guaranteed" to cure that tired, run-down feeling? Probably more than you can count.

Well, somebody's country cousin has come up with a short solution to both problems: just eat less and sleep more!

But we all know that WHAT we eat is more important than how much. By the same token HOW we sleep means more than how long. Potatoes and cream desserts even in small quantities can put on pounds and a night of restless tossing on bedding that is old, and lumpy and sagging is more exhausting than a fun-filled night on the town.

Still it's worth a try. Eat less of the wrong things and sleep seven or eight hours a night on level, resilient bedding. Pounds and fatigue will both melt away.

Engaged

Mr. and Mrs. Forrest Schlappi of Harbor Springs announce the engagement and approaching marriage of their daughter, Virginia Lee Schlappi, to Robert Bear, also of Harbor Springs.

The wedding date is set for September 23.

Petite Models Delight Viewers at Fashion Show

These lovely little ladies are all dressed up for a very special occasion, as they are fashion models in the Annual Fashion Show held last week at the Ramona Casino. Shown is big sister Janielle Green, guiding little Shelley up the aisle in the Casino. The girls are wearing white nylon frocks, enhanced with pink satin squares, from the Doll House. Mr. and Mrs. Bruce Green of Bay Shore are the proud parents of these models. (News-Review photos by Luise Leisner)

All decked out for church, in a red-velvet trimmed tweed coat and a gray flannel coat, respectively are Kathy Kandt and Linda Rooney, demure models who captivated the audience at last week's Little Traverse Auxiliary Fashion Show. They wore matching jumpers, and "just the right" hat and gloves, Doll House collections, for the event. Linda is the daughter of Mrs. Betty Rooney and Kathy's parents are Mr. and Mrs. Ralph Kandt, of Petoskey.

BAG WILDCAT. Donald Berg, 13 (left) son of Mr. and Mrs. Leo Berg of R-3 Charlevoix and Bruce Bartlett, Jr., 13, hold the small wildcat they shot out of a tree while "riding range" on the Berg's cattle herd south of Susan Lake. The boys had just received their guns, a .410 and a .22. Wildcats have been seen in the vicinity of the cattle at other times. (News-Review photo by Jim Doherty)

Willow Run Gets Anniversary Gift

DETROIT (UP) — The Airlines Terminal Corp., which manages Willow Run Airport for the University of Michigan, said today it hopes to have a \$750,000 remodeling program completed in time for an anniversary celebration on Sept. 10.

The airport, the nation's seventh largest in passenger use, next month will mark the first 10 years since it was taken over by the college. The current remodeling program is centered on the huge hangar that was converted from a bomber plant to an airport terminal.

Later plans call for nearly \$400,000 to be spent on expansion and development of ramps and runways.

Army Rocket Beats Russia To the Draw

WASHINGTON (UP) — The Army has scored an important technological triumph in its race to beat Russia to the punch in perfecting long and intermediate range ballistic missiles, it was learned.

Informed sources said last night an Army rocket fired several hundred miles high withstood tremendous friction and did not disintegrate in striking back into the earth's atmosphere.

It was reported that the nose cone of the three-stage rocket, which sped distance of 1,200 miles plunged into the Atlantic Ocean a mere 400 yards from its target.

THIS PERFORMANCE was described as "phenomenal" for such weapons, which can carry atomic warheads.

The third stage of the rocket, which one source reported travel-

ed at a speed of 15,000 miles an hour, was recovered.

Previous reported speeds for test rockets were 9,000 to 12,000 miles an hour.

Re-entry of a high speed rocket into the atmosphere without disintegrating has been one of the most perplexing problems facing scientists.

THE TEMPERATURE at which the nose cone re-entered the atmosphere could have been as much as 20,000 degrees, one source said.

What the material was that can withstand that kind of heat was not revealed. The Army refused to comment on the rocket, fifth in a test series fired at Patrick Air Force Base, Fla.

One source emphasized that the material used was not metal. Scientists have been working on plastic and fiber glass materials but

it was not known if these were contained in the rocket.

They also have been working with porous materials whereby liquid contained in the cone could evaporate on the surface and keep it cool. But authorities said it was doubtful this was used in the test.

THE VEHICLE was a Jupiter-C, but not the Jupiter intermediate range ballistic missile that the Army has been working on. The model consisted of a redstone rocket with at least two more rockets attached as boosters. Only the cone re-entered the atmosphere without disintegrating.

It was not known exactly how high the rocket travelled.

John Cabot and his son, Sebastian, who reached the Labrador coast in 1497, were Venetian explorers in the service of England.

New Judge Must Meet the Law

MUSKEGON (UP) — Harry J. Knudsen, the recently appointed Muskegon Heights municipal judge, won't begin his duties for 30 or more days.

Knudsen, who lives in Norton township, said he plans to move to Muskegon Heights to meet a state requirement that judge appointees must be a resident of the area at least 30 days to qualify for the post.

R. Bunker Rogoski one of the candidates for the post, announced he planned to challenge Knudsen's appointment because he failed to meet the residence requirement.

Joe Louis became heavyweight boxing champion of the world when he knocked out Jim Braddock in Chicago June 22, 1937.

TELEGRAPHIC TABLOIDS

By United Press
NEWARK, England — Thieves who looted a cigaret shop left a word of advice for the proprietor. They wrote a note saying: "Look after the place better."

LONDON — Directors of Fremlin's Brewery are to have their own company tie. The cravat will feature pink elephants on a dark background.

MELBOURNE, Australia — Burglars who rifled a print shop here were apparently trying to get at the root of the matter. They stole 10,000 copies of a booklet to be distributed to local police. The booklets described the best methods to thwart crime.

ELMHURST, Ill. — A group of families living in house trailers came up with a pretty unconvincing argument when told they would have to move to make way for a toll road. They said they had no place to go.

SAN FRANCISCO — Something new for San Franciscans recently. They sweated when the mercury soared to 78 degrees—the hottest ever recorded for Aug. 12.

HALIFAX, N. S. — Terry Kidd is a young man of few words. He had only one comment after causing his father's auto to roll into the harbor. Said two-year-old Terry: "Daddy's car drowned."

CAGLIARI, Italy — The latest round in a 122-year battle to collect overdue taxes got underway yesterday between the tax collector and the Gugui family. The battle began back in 1835 when Cosimo Gugui refused to pay his 100 lire tax. Cosimo handed the bill to his son when he died, and it has passed in that manner from father to son through each generation since. Today, the latest in the line of Guguis is in there fighting with the tax collector, as his forebearers did before him, for that 100 lire—in today's currency valued at 12 cents.

SPRINGFIELD, Ill. — What's in a name? A 1,000 pound Hereford steer will tell you plenty is. He was named grand champion steer at the Illinois State Fair. His name: "Chubby."

NEW YORK — Jack Williams of Brooklyn will think twice the next time he refuses a request. The 38-year-old Williams said he was sitting on a stoop with some friends Saturday night when a young man asked him for 25 cents. Upon being refused, the youth—identified by police as 19-year-old Abraham Simpson, who has a long record—yelled: "Give me the 25 cents or you gotta go!" and whacked Williams on the head with a garbage can cover. The youth then took to his heels, shouting, "You've had it."

After Red China Trip, US Students May Lose Visas

MOSCOW (UP) — Authoritative sources said today the U. S. Embassy here will act to cancel the passports of American youths now en route to Peiping if they return from Red China through Moscow.

But the main problem, the sources said, will be obtaining physical possession of the passports.

Most of the 41 Americans who took the Communist Chinese junket in defiance of the State Department did not make any contact with the embassy before departing and it appeared unlikely they would do so after their return.

They left Wednesday on the 6,000-mile eight-day train trip along the world's longest, remotest, regular rail line.

It was understood that Ambassador Llewellyn Thompson had not received specific instructions from Washington to deal with the students.

Diamonds are Duds
WASHINGTON, (UP) — Industrial diamond importers have complained to Congress they are stuck with \$25 million worth of surplus industrial diamonds.

Steeves' Ordeal Investigation Said Routine

WASHINGTON (UP) — The Air Force says it is conducting a routine investigation into the ordeal of Lt. David A. Steeves, who stumbled back to civilization in July after 54 days in the California wilderness.

But it said yesterday it has no reason to disbelieve his story. Steeves, who parachuted to safety, said he spent 54 days alone in the high Sierras, living on fish, reptiles and a deer. He was forced to crawl through the wilderness because of an injured leg, he said.

The Air Force said the investigation is being conducted to locate the plane and to "check carefully and see what caused the crash."

It said Steeves also is being questioned at length "to determine his reactions and evaluate them with regard to survival training."

But the Air Force emphasized it "has no reason to believe the story is false until completion of the investigation which may take a long time."

Steeves on his return, said the thoughts of his wife and child helped carry him through the long ordeal. But his pretty, blonde wife who embraced him on his return is planning a divorce.

QUOTES FROM THE NEWS

(Reg. U. S. Pat. Off.)
By United Press

DULUTH, Minn. — Mrs. Ann Frombert, 74-year-old woman found this week after wandering lost in a dense woods for three days:

"There were times when I wished I would die I was so afraid. Other times I prayed I would be found, and it was my faith that brought me through."

WASHINGTON — Sen. Lister Hill (D-Ala.), criticizing the Budget Bureau for cutting funds to fight Asiatic flu:

"The bureau is gambling with the health and lives of the American people. No one can yet tell how virulent Asiatic flu is."

BOSTON—Mayor John B. Hynes, in pleading for settlement of the week-old Maiters Union Strike that has idled 5,000 persons on six daily newspapers:

"A prolonged strike might well cause more establishments to close their doors in Boston, with the consequent loss in employment to many of our citizens."

CHICAGO — AFL-CIO President George Meany, in commenting on the Senate Labor Rackets Committee revelations:

"A great many things now before the committee are covered by laws already on the books. You don't have to have new laws against thievery and embezzlement."

LONDON — Lord Londonderry, 20-year-old jazz-loving Irish peer, in supporting recent criticism of Queen Elizabeth's court:

"Only by plain speaking and ruthless relentlessness can the social squalor of the upper classes be removed from the monarchy and a true democratic monarchy be raised from the social slough it has fallen into."

Navy to Drop 18,000 Civilians

WASHINGTON (UP) — The Navy announced today that it will drop 18,000 civilian employees in the current fiscal year, the majority of them by Oct. 31.

The economy order was the latest in a series of drastic measures to fit the armed forces into a \$38 billion spending budget for the year which began July 1.

The Air Force has announced plans to drop 20,000 civilian employees by the end of October at a saving of \$7 million to \$8 million a month. Army plans are yet to be announced.

The Navy was unable to say immediately what its monthly saving would be after the civilian cut-back, but it apparently will be not much less than the Air Force's.

Reductions will run throughout the Navy's shore establishment, the announcement said. Naval shipyards, ordnance plants, overhaul and repair shops, and supply depots will be chiefly affected.

Egg for an Axe
LAWTON (UP) — Bertha, a Rhode Island red hen, saved herself from the chopping block with an all-out effort and now is queen of the flock.

Condemnation Project 24-15 3rd (RN&UN). STATE OF MICHIGAN IN THE CIRCUIT COURT FOR THE COUNTY OF EMMET

In the matter of the petition of Charles M. Ziegler as State Highway Commissioner of the State of Michigan, for condemnation of private property for highway purposes in Village of Mackinaw City & Wawatam Twp., Emmet County, Michigan.

COURT NO 214 Liber 5 ORDER FOR HEARING ON APPOINTMENT OF COURT COMMISSIONERS

At a session of said Court held at the Courthouse in the City of Petoskey, in said County, on the 19th day of July, A.D. 1957:

PRESENT: HON. EDWARD H. FENLON CIRCUIT JUDGE

It appearing to the Court that Charles M. Ziegler as State Highway Commissioner of the State of Michigan has filed herein a petition praying for the appointment of three Court Commissioners to appraise the damages to be paid as compensation for the taking of an easement or fee, as in said petition specified, for highway purposes in, over and upon certain private property therein described; and it further appearing that petitioner did on January 30 A.D. 1957, make and file in his office a written determination which found the necessity of improving the State Trunkline Highway known as US-31 in Village of Mackinaw City & Wawatam Twp., in this County, over and across Section 13, T39N, R4W, Village of Mackinaw City, Emmet County, Michigan, and Section 24, T39N, R4W, Wawatam Township, Emmet County, Michigan in accordance with a survey thereof and plans and specifications made under his supervision and direction; and further found the necessity of taking the aforementioned easement, or

EDITORIAL
Fair Worth Seeing

Emmet county's annual fair opened today and from what we've been told by officials, it promises to be one of the best in years.

And that's not idle talk or advance ballyhoo. The fair board has done a terrific job in getting a lighted track ready, refinishing the buildings, promoting exhibits and giving a real "new look" to the event.

All sorts of activities are set for the week to please people of all ages.

The News-Review believes Emmet county wants and need a fair. It's now up to the people of the county to prove it by their support. Many people haven't been on the fairgrounds in years. We feel these people owe it to themselves, and to the many people who have worked hard to bring about a real fair here, to go out and see what's been done.

It won't cost you a cent to visit the grounds tonight. There is no admission charge at the main gates. With the attractions throughout the rest of the week, we believe every day will offer plenty of interesting events.

Dont' stay away this year! We hope the rain will.

Harbor Springs
 MRS. G. W. LEECE, Correspondent

Mr. and Mrs. Frank Matul, of Lincoln Park were guests Friday of the former's brother and sister-in-law, Mr. and Mrs. Anthony Matul of East Main street.

Wilbur Kurburski of Stutsmanville has entered Lockwood General hospital for medical treatment. Mr. Kurburski received serious injuries in an auto accident several weeks ago.

Mr. and Mrs. William Gilmore have returned to their home in Flint after spending some time at the Stark residence on Fourth street.

Mr. and Mrs. Charles Rogell and daughter and sons, Sandra, Fred and Charles left Sunday for their home in Saginaw having been with Mrs. Rogell's brother and sister-in-law, Mr. and Mrs. Leon McDonald of Lake street, the greater part of the summer months.

Frank Sorensen of Flint visited part of last week with friends in Harbor Springs.

Mr. and Mrs. Paul Baker and children Judy and Sandy left Sunday for their home in Detroit. Mrs. Baker and family have been with her father Frank Lauer for three months and Mr. Baker spent the week ends at the Lauer home.

Keith Young of Rose Hill has entered Little Traverse hospital as a medical patient.

George Green of Marine City spent Saturday in Harbor Springs. Mr. Green was a resident of this city over 50 years ago.

Mr. and Mrs. William Everett of Flushing with a party of friends were with Mrs. Everett's mother, Mrs. Eber Hurd of Stutsmanville part of last week.

Ben Burkholder, Murray Heb-

man, Audrey Koyers and Donna Wichert of Grand Rapids were guests over the week end of Mr. and Mrs. Harold Hahn of Bluff Drive.

Mr. and Mrs. Dudley Bowers and sons and daughter, Charles, Horace and Barbara Ann returned Sunday to their home at Plymouth following a three weeks visit with Mrs. Bower's parents, Mr. and Mrs. Charles W. Taylor of East Main-st.

Mrs. William Covert returned Sunday to her home in Grand Rapids having been with her parents, Mr. and Mrs. August Hahn of Emmet Heights road for two weeks.

Mrs. Katherine Clarke-Hafstad came Friday to spend three weeks with her father, James T. Clarke of Bluff Drive. Mrs. Hafstad is and Army Operations Analyst at Washington, D.C.

Mr. and Mrs. Howard Dickie have returned to their home at Livonia after spending a week in Harbor Springs visiting with friends. Mr. Dickie is a former superintendent of the Harbor Springs schools.

Gleen Crites of Owosso was a guest at Leece Lodge from Friday to Sunday.

The male cowbird is the only black bird with a brown head in the United States; the female is a dull gray color.

BAY VIEW CAMPUS CLUB awarded its winners following the annual men's singles bowling tournament. Donald Placier (center) Chillicothe, O., won the tournament and the Richard Habbe Bowling Trophy. Edward H. "Ned" Zink, left, congratulates him. Runner-up was Col. A. J. Brandon of Sarasota, Fla. This trophy medal has been presented for some 10 years to the champ and this year will mark the retirement of the award. Dr. J. H. Eberwein of Indianapolis, right, was general chairman for the event which drew 32 bowlers. Semi-finalists were Dr. Frank Carlton, Cleveland and Bishop Raymond J. Wade, president of the Bay View Association.

Briton Writes That Fish are "Trained" To Bite for Ike

LONDON (UP) — Cassandra, the widely read columnist for the tabloid Daily Mirror, poked fun at President Eisenhower today for letting his "friends and toadies" chum the waters off Newport, R. I., to attract fish.

"It would be an incredible scandal to the darling of the sea' (Newport) if the darling of the Republican party went back to the White House with an empty creel," Cassandra wrote.

He said an organization called "The Preparation of Newport Waters for the president's Fishing Committee" had prepared about a ton of bait to throw into the sea at eight spots where the President is expected to fish.

"Then by a miracle of piscatorial skill the President will catch a great whopper within a few moments of casting his line—much to everybody's astonishment," Cassandra wrote.

He identified Eisenhower as "the well-known American golfer whose spare time hobby is the presidency of the United States." Cassandra added he doubted that the grouse shot on the York-

shire Moors by House of Commons — "even Mr. Butler in his most relaxed 'port' wine and overripe ed or "fitted with little bulleseye pheasant" mood wouldn't want it targets above their beating hearts" as easy as that."

Mrs. Thomas Farmer and son, John, of New Smyrna Beach, Fla., are visiting friends here. Mr. Farmer will arrive later from Angola, La., to join them.

Mr. and Mrs. Rex Supernaw and two daughters of Rochester are spending two weeks with relatives and friends.

Mr. and Mrs. James Roberts and daughter plan to return to Mt. Pleasant this weekend following a visit with his mother, Mrs. Bertha Roberts and other relatives.

Fochtman Beats Parson 3-0, Face Bosch In Finals

Bosch Eliminates Burke Coal 6 to 0

Dick Bare hurled Fochtman Motors to a 3 to 0 shutout victory over Parson Manufacturing of Traverse City last night in the district semi-finals at Harbor Springs. The brilliant win for Bare puts Fochtman in the title shot game tonight at 8 p. m. against Bosch Beer, Cheboygan who eliminated Burke Coal of Traverse City 6 to 0 in the second contest.

The Parsons squad edged Ormsbee Motors 2-0 and Burke shut out Harbor PI-Men 4 to 0 Saturday night to win their right to the semi-finals action last night.

In the Saturday contests Burke Coal's Dick Johnson limited PI-Men to three hits and allowed only four PI-Men to become base runners. Parson, in their 2-0 shutout over Ormsbee, shoved their two runs across in the opening inning and T. Noteware completely blanked the Cheboygan outfit with a no-hitter. Ormsbee had four men on base through walks with S. McSherry getting three of them but the Parson defense backed up Noteware and punched out six hits to win the game.

Last night Bare's allowed only one hit, a single in the second inning by McGhan, and that proved to be the final safety for Parson.

Fochtman picked up their first hit in the bottom of the fourth and converted it into two runs. Ron Gibbs and Will Splan walked and Jesse Kauffman doubled to send the two home. In the last of the sixth, Bare doubled and scored on a long fly out for the third run.

In winning his third game of the touring Bare has gone 25 innings allowing only three hits with all three of the victories shutouts. Noteware was charged with the loss.

In the second game last night Bosch scored two runs in the opening frame, came through with single runs in the third and fifth and end the 6-0 shutout in the top of the seventh when F. Maybank homered and J. Stillwell singled and came in later on errors.

Howard Preseau went the distance for the two hit victory and Jim Franke was charged with the loss.

Tonight's finals battle will feature two of the tournament's top hurlers. Preseau has allowed three runs, six hits and recorded 30 strikeouts in his 23 innings pitched. The winner tonight will go to Charlevoix Friday for the best-of-three series in the regional tournament there.

Saturday Results			
Burke Coal	000	004	0 4

Bosch	201	010	2 6
Burke	000	000	0 0

GREENWOOD LAKE, N. Y. — Sugar Ray Robinson planned to work on the light and heavy bags today after attracting more than 700 spectators during yesterday's sparring sessions!

Minor League Tournament Starts Today at Fair at 4

There will be a Minor League baseball tournament at the fairgrounds during fair week. Games will be played at 4 p.m. daily. Dick Smith is tournament director. Games will be played Monday through Thursday, with additional games if needed. The winning team will be awarded the "Emmet Fair Trophy", which they will hold for one year.

Last year the Lions team won the championship, but they will not be back this year to defend their title.

Today's game will be between News-Review and the First State Bank. Tomorrow the Elks meet Bremmeyr-Bain and on Wednesday the News-Review plays Bremmeyr-Bain. Thursday's action will find the Elks meeting First State Bank.

Gaylord, Alpena, IR Racers Place in Otsego Regatta

Two racers from Gaylord, one from Alpena and one from Indian River, were the only ones from northern Michigan to take trophies in the ninth annual Otsego Regatta yesterday at Gaylord.

The closed course races attracted outboarders from all over the state since it was a A. P. B. A. sanctioned event where points could be added toward their national total.

Bob Fosdick, Gaylord, took third in the class DU event while Bob Schlang, also of Gaylord, came in third in the class B hydro division. Tom Gagnon, Alpena, placed third in the class A hydro race. Bruce Alexander, Indian River, copped the first place trophy in the class AU races.

Following Alexander in AU were Lawrence Lambie, Wayne, took second and C. W. Friesner, Clare, came in third.

Ken Krabb, Bay City, took first in the class BU followed by Roger Sturman, Spring Lake in second and Brian Chocola, Lansing, placed third.

Dick Bucurestian, Detroit, came in first in the DU event with Charles White, Jackson, coming in second and Fosdick took over the third place spot.

In the A hydro event, Don Boshaven, Grand Rapids, came in first with Dave McSherry, Lansing, placing second and Gagnon took third.

The B hydro event was taken by Chocola of Lansing with McSherry coming in with a close second and Bob Schlang took third.

Start Babe Ruth Tourney Tonight

The first round of the Babe Ruth League tournament gets underway tonight at Lockwood Field with Harbor Kiwanis meeting First National Bank at 6 p.m. Tomorrow Sussman plays Petoskey Beverage and on Wednesday, Petgas will play the winner of the Kiwanis-Bank game.

The winner of this game plays the winner of the Sussman-Beverage game on 6 p.m. Friday for the title.

HITS RAIL. Jim Novotny, Charlevoix, crashed into the guard rail during the Aussie event and lost a wheel. However, he went to work, getting the car repaired in time to run in the Feature only to lose another wheel after 14 laps. He escaped unhurt. The Petoskey Motor Speedway races will move to the Emmet County Fair this Saturday night. (News-Review photo by Willie Wilton)

Giants' Move To 'Frisco Confirmed for Next Year

NEW YORK, (UP) — The New York Giants are expected to announce today that they will transfer their 74-year old National League franchise to San Francisco for the 1958 season.

Club president Horace Stoneham is expected to make the formal announcement after a meeting with his board of directors. Stoneham already has called the San Francisco offer "firm and fair" and should not encounter much opposition from the directors.

Those meeting with Stoneham in the Giants' downtown offices, beginning at about 11 a.m. (E.D.T.) are Charles (Pete) Stoneham, Horace's son; Charles (Chub) Feeney, Horace's nephew and the club's vice president; treasurer Edgar J. Feeley, Joe Haggerty, Charles Aufdehar, Dr. Anthony Palerno, Donald Grant and Max Schneider.

The National League approved a

giant franchise switch on May 28 when it also paved the way for the Brooklyn Dodgers to shift to Los Angeles. Formal announcement that the Dodgers will make their shift also is anticipated at the close of the current season.

Stoneham's main arguing point, if he requires one at all, will be assurances that the Giants will make a net profit of \$200,000 to \$300,000 a year in San Francisco as compared with a reported \$20,000 profit last year. The Giants will draw no more than 700,000 in home attendance this year following last season's 630,000 total.

Stoneham received San Francisco's official offer last week from mayor George Christopher. Christopher has assured the Giants San Francisco can provide a 45,000-seat stadium at a rental fee of about 7 per cent of gross attendance each year. The club would control the concessions while the city would control the parking facilities under the terms of the offer.

The Giants probably will play in 22,000-seat capacity Seals Stadium next year with a new park slated to be ready in 1959.

The transfer would fulfill a long-standing dream of the West Coast to acquire a Major League franchise but it will also wreck the Pacific Coast League. That circuit is expected to sue the Giants for damages perhaps totaling as much as \$1 million.

Under baseball law, the Giants must also negotiate to buy the San

Francisco territory, which is owned by the Boston Red Sox.

The switch will end one of the greatest sagas in the history of baseball. A generation ago, the Giants occupied the same position in New York that the Yankees now have. Under John McGraw, from 1902 to 1932, they were the National League's 'No. 1 team.

Play Protested Game Tomorrow

The playoff of a protested Little League baseball game will take place tomorrow night at 6 p.m., starting from the top of the fourth inning.

The Tigers, ahead 4 to 0 over the Cubs, will be out to take the game and spoil the Cubs' chances of coping the second round.

The game was started earlier in the season but was finished under protest by the Tiger manager.

Tigers Split With Sox, Take Over Fourth Place

DETROIT, (UP) — Although the Detroit Tigers seem assured of losing the season series to the White Sox for the seventh straight year, the Tiger management were smiles after the Bengals split with the Pale Hose yesterday.

"That's the best we've done against them all season," manager Jack Tighe said, after the Tigers

took three out of four. "And I'm certainly satisfied."

And the Tigers passed the million mark in home attendance for the 12th time in the last 13 seasons.

The Tigers rapped out 54 hits in the series, with the White Sox out-hitting them in every game and outscoring them 21-15. The near-

sweep left Chicago with 10-7 edge and five games to play.

And the series enabled the Tigers to reverse positions with the Baltimore Orioles. Detroit now is fourth place one game ahead of the Birds who come into Briggs Stadium tomorrow night to start a three game series.

Frank Lary tied the White Sox in knots in the first game, 5-1, with a sharp four-hitter and Dick Donovan, who possesses the best percentage in the American League, turned the same trick in the second game scattering eight hits for a 4-1 decision.

Lary bested southpaw Billy Pierce in winning his second game in a row and sixth of the year against 15 defeats. It was Donovan's 14th victory against four setbacks, while Duke Maas took his ninth loss in 17 decisions.

Lary helped his own cause with a two-run single in the sixth inning after peskey Nellie Fox belted a homer in the top of the frame to tie the game at 1-1. Frank Bowling belted his 14th homer in the first inning for Detroit.

Ray Boone sewed up the game for Detroit with a two-run clout, his 10th in the seventh inning.

Shoddy baserunning and fielding eased Donovan's task in the nightcap. The second and third Chicago runs were unearned and Jim Small and Frank Bolling were guilty of poor action on the basepaths in the fifth inning when Detroit scored its lone run.

Motor Blows Up, Eight Fail To Complete Feature 25 Laps

Thrills, spills, crashes and blow outs marked the running of the jolopy races at the Petoskey Motor Speedway Saturday night giving advance notice of what may come this Saturday when the races switch to the Emmet County Fair for the first running on the half mile oval.

In the four fastest, Jim Stradling, Harbor Springs, driving car No. 83, had his motor blow up, putting the car out of the races for the rest of the evening. In the Aussie, car 66, driven by Jim Novotny of Charlevoix, spun out on the east turn hitting the guard rail. Fast work by the driver brought the car out on the track again for the Feature.

The Feature race saw nine cars start and only one car completed the 25-lap event. Here is what happened in the Feature:

Car No. 72 completed the race and won. Car 24 went 24 laps and blew a tire. Car 198 went 17 laps and blew a tire. Car 61 devel-

oped engine trouble and quit. Car 66 went 14 laps and the wheel came off. Car 77 went six laps and lost a wheel.

Despite the terrific action, no one was injured.

Gene Denman of Traverse City, won the four fastest, "second heat and Feature, taking second in the second heat.

Jack Niswander, Charlevoix, placed second in the four fastest and Feature and placed first in the first heat. Norm Slocum, Petoskey, took third in the four fastest and seconds in the Hooligan and first heats. Jim Stradling, Harbor Springs, came in fourth in the four fastest.

Don Jepson came in second in the second heat and Dick Moore, Petoskey Speedway owner-manager, placed first in the Aussie and Hooligan and third in the Feature. Garth Hall, Boyne City, placed third in the Aussie and fourth in the Feature.

Swims Lake Erie

LEAMINGTON, Ont., (UP) — University of Alaska history professor Harry W. Briggs, jr., 36, refusing to give in to high winds and frigid waters, yesterday completed a 32-mile swim across Lake Erie in 34 hours and 55 minutes.

Briggs started Saturday morning from Marblehead light near Port Clinton, Ohio, and didn't finish at Point Pelee, Ont., until last night.

JOHNSTON, Pa. (UP) — Baltimore, Md., meets Brooklyn here tonight in the finals of the 11th annual All-American Amateur Baseball Association Tournament. Baltimore beat Washington, 10-8, yesterday while Brooklyn defeated Philadelphia 10-4.
